L. B. J.

how far
The definition of distance
for from here Is there

The method of transportation oh well
lies deep within your bottle of beer

So, come Ground, the ~~ground~~ ~~ground~~
I step into, step into the
future
+ take another drink from my
little B. J.

Take, take, take, take me far away
from ~~here~~ here
Don't mis guide ~~me~~ clear blue + clear
sky.
Well, baby, won't you come to
me I can show you just a whole
+ what you see

Sweet wizard in my hand won't
you take me, shake me to that promised
land.
Make my mind run the gamut + feel
free to make me create

Jesus gave his life they say
to protect my soul
I got nothing to live for, it's
say has got to go
the magic potion they say
is in the bag
so let the good times flow
if you dare.

Little K.T. don't flow you Yeah!

Planets lost within themselves
I each + every one of them is
inspired, there here to test the
difference between each world. to
get your views sold

+ if you want to know just
what I really mean -
You can come looking for me
+ meg jig.
